Our Solution

Replace traditional price paper labels with Smart electronic labels
Manage all products price Labels Remotely from a centralized location
Join the retail future and gain a lot of benefits ...

1. Fast react to competitors

Swift publishing promotions

2. Adjust campaigns easily

Shift Scheduled Dates

3. Reduce waste and returns

Auto discount near expiration

4. Increase Sales in Off-peaks

Auto set daily discount hour

5. Get More Customers Attention

Use Variety of Attractive Templates

Suitable for all types of products

6. More Promo Announcements

Smart Cart announce nearby

7. Easy Find Promos

Find Products & Promotions

8. Ontime Help

Touch to get full details

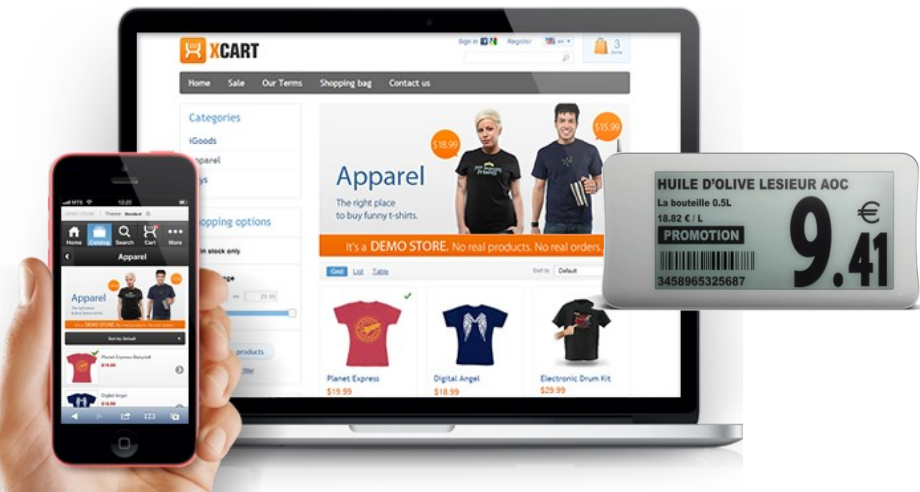

9. Handsfree Shopping

Touch & collect at Checkout

10.Reduce complains at Checkout

Sync prices with web store

11.Easy Find Products Locations

Internal Positioning & Catalog

12.Announce in Stock

available Model ,Size & Color

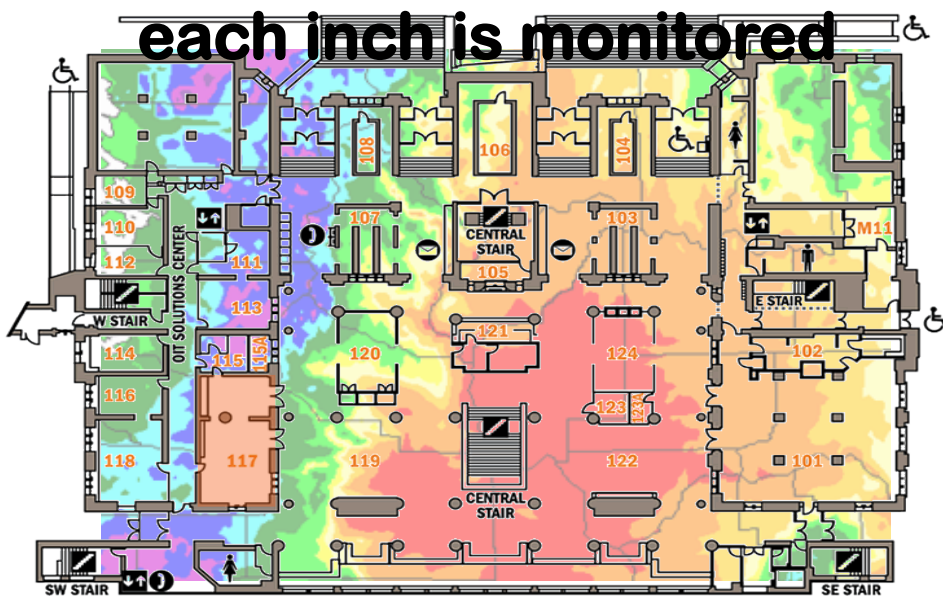

13.Permitted Wireless Connectivity

WiFi & Bluetooth (NO RF)

14. Location Temperature Monitor

15. Operations Monitoring 24x7

Dashboards & Ontime Alarms

16. Utilize staff in other tasks

17. Pricing Accuracy 100%

no printing or location issues

ZERO
~~errors~~
